2018 Multi-Chapter Meeting at Graves Mountain Lodge

On Saturday, May 5, 2018, 15 of our members and their spouses traveled to Syria, Virginia for the 2018 VASSAR Multi-Chapter Meeting, held annually at Graves Mountain Lodge. As in past years, our chapter was well represented. Since the Colonel William Grayson Chapter was this year's host chapter, our own President Mike Taimi was the master of ceremonies,

For new Colonel William Grayson Chapter members and those who have never attended the Multi-Chapter meeting, seven chapters participate. They are Col. Fielding Lewis (East Piedmont Area), Col. James Wood II (Northwest Virginia Area), Culpeper Minutemen (Central Piedmont Area), Col. William Grayson (Prince William County & Western Fairfax County Area), Fort Harrison (Harrisonburg Area), Gen. Daniel Morgan (Staunton Area) and Thomas Jefferson (Charlottesville Area).

The first event of the day was the gathering of an urn of Virginia soil that was carried by VASSAR President Pat Kelly to South Carolina where on May 26 he spread the Virginia soil on the mass grave of Virginians who died there in the Battle of Waxhaws.

VASSAR President Pat Kelly was also the guest speaker. He spoke on the Revolutionary War on the western frontier of Virginia, with emphasis on the involvement of the Indian tribes in that area. For those who were not present and missed his presentation, he will be our guest speaker at our October 13 meeting speaking on the same subject. All are encouraged to come.

President Mike Taimi.

President's/Vice President's Report

This newsletter's President's/Vice President's Report was prepared for us by Mike Weyler, CWG Secretary, and Compatriot responsible for tracking and promoting CWG day to day activities, most of these activities are reported in this and our other newsletters.

Mike Taimi

President Colonel William Grayson Chapter

We have had a very busy and productive first-half of 2018. We added twenty-two new Compatriots to our chapter during the first six months of 2018, and we continue to grow. In May and June, the two months since our last newsletter, our members have traveled around Virginia for some major VASSAR events. Starting with a large attendance by chapter members at the VASSAR Multi-Chapter Meeting at Graves Mountain Lodge in Syria, Virginia, to the commemoration of the Raid on Martin's Station in Ewing, Virginia, way down in extreme Southwest Virginia, to the National Memorial Day Parade, our members have represented our chapter very well. Our members have also been wreath presenters at a couple of wreath-laying ceremonies closer to home; the commemoration of Wayne's Crossing of the Potomac in Leesburg and the commemoration of the Virginia Declaration of Rights at Gunston Hall, George Mason's home, in Lorton. As usual, our Color Guard Commander Paul Chase was present in uniform in whatever events he attended.

Although many of us are now heading into summer vacations, the next few months will include some additional state-wide events. The first one being the Atlantic Middle States Association Annual Meeting in Newport News, Virginia, August 10-11, where VASSAR will host the representatives from the seven state societies that make up the Association. A month later, September 14-15 in Charlottesville, all are invited to the VASSAR Semi-Annual Meeting. On October 19, we celebrate Yorktown Day in Yorktown, Virginia, in remembrance of the day Cornwallis surrendered to General Washington. We encourage as many as possible to attend these great Virginia events.

12 May: Dumfries, VA; Dumfries Charter Day. The City of Dumfries and the Weems-Botts Museum in Dumfries sponsored Dumfries Charter Day on 12 May commemorating the establishment of Dumfries as the first of seven townships in Prince William County. Dumfries received its charter on May 11, 1749, making it the oldest continuously chartered town in Virginia.

Although Dumfries produced many Patriots of the American Revolution, one of the most recognized is Colonel William Grayson. Grayson established a law office in Dumfries before the Revolution and was instrumental in events leading to the Revolution. He commanded a company of militia and was selected by George Washington as Aide de Camp. Grayson wintered with Washington at Valley Forge, fought in several battles and was one of the first elected senators to the United States Congress after the ratification of the Constitution. In remembrance of Colonel Grayson, the bandstand at Dumfries Merchant Park carries his name.

Planners for the 12 May event invited the Colonel William Grayson chapter Virginia Society Sons of the American Revolution to participate in the Living History venue. The CWG Chapter asked members of Children of the American Revolution and Daughters of the American Revolution, many in Revolutionary War-era costumes or uniforms, to also attend.

Children of the American Revolution demonstrated Colonial children games, and one member used toy muskets to recruit and train visitors in basic Manual of Arms and the operation of a Revolutionary War musket. Paul Chase, Compatriot with CWG Chapter, was stationed in a second-floor garret (Attic) of the Weems-Botts museum; set up as the office of the Commander of the Third Virginia Regiment, Continental Line. Other members of the CWG Chapter, in militia uniform, displayed the equipment carried by a typical militia soldier including a replica Charleville musket.

The patriots are interred at the Presbyterian Cemetery and Columbarium on Wilkes Street in Alexandria.

Planned by the George Washington Chapter VASSAR, the ceremony was attended by approximately 20 members of VASSAR, VADAR, and parishioners of the Old Presbyterian Meeting House. The Virginia SAR Color Guard provided a dignified tribute to the ceremony by advancing and posting colors.

Starting with eight (8) honor students in 2014, his efforts have reached a high of 60 students and an average of 47 per year. His efforts directly contribute to his students better understanding the sacrifices Veterans make to our country and instilled a sense of patriotism in every student.*

In addition, Mr. Warzywak initiated a History bee that culminates in the best students going to the National competition in Georgia. For Outstanding contributions to Patriotism and preserving history, the chapter is proud to present the bronze good citizenship medal to Thomas Warzywak.
